

Hello St Mary Family!! We are excited for everyone to come back to in person worship. This is a limited phase re-opening of the worship services so please be patient and follow the directions you receive from the many ministries involved.

In each month we will have our 1st Sunday and 5th Sunday services outdoor. 2nd, 3rd, and 4th Sundays will be our designated in person worship services. Each person will be able to attend one time each month starting on July 2nd, 2021 [2nd Sunday in July]. We will discuss how YOU can register and reserve you or your families Sunday to attend. Like everything it is important that your family be timely when attending worship since we will have people from ministries in place to go through procedures for everyone's safety. It can become exceedingly difficult to go through these procedures during worship so please arrive on your approved Sunday before 9:00 [AM]-Sunday school.

Again, Outdoor Parking Lot worship services will be on the 1st and 5th Sundays of each month. And the 2nd, 3rd, and 4th Sundays will be the in-person worship opportunities.

This is a limited **In Person Worship** service so there will be sections to where you and your household can sit upon entering the building. Please remain with your household throughout the entire worship service. For you to be able to attend **In Person Worship** you MUST register and be approved. In the next video we will go through in detail on HOW and WHERE you can get your family registered.

You can Register by navigating to any of our social platforms, [Our Website, Facebook, You-tube, Instagram] and click on the "Register Here" link, and or button. This will then take you to a registration form to where you enter in your information along with how many people you will be bringing with you on that specific Sunday. Completing the form is not the same thing as being approved. Upon approval you will receive an email notification letting you know that your registration form has been approved for you and your family to attend. It is highly likely that Sundays will be filled up very quickly, but our team will ensure that Each person apart of our family will have an opportunity to attend **In Person Worship** one time each month. So, if you encounter an "Error message" or "Registration Full" message at the end of completing your form do not get frustrated. Simply go back to the link and attempt to Register for a different Sunday in that month and our team will do its best to get your form approved.

So our team can ensure every family approved for **In Person Worship** is accommodated properly, registration, for a particular Sunday will “Close” the Wednesday before. For example. For **In Person Worship on July 25th** registration will close on the Wednesday before which is July 21st.

When you arrive to the church building, please listen and follow directions from the ministry workers to ensure a smooth Holy Ghost filled day!! Thank you for watching.
